Midquarters

Don't forget to check your children's midquarter grades online today. It is hard to believe that we are half-way through the second quarter already. If the school has been notified that you do not have computer access, a paper copy can be found in today's family folder.

Santa Shop

The Santa Shop sales will take place on Friday, December 9th. Mrs. Neil and her merry band of elves will have everything set up for the children to shop. You will be thrilled with the surprises they pick for you.

Tuition Reduction Raffle

The winner of the Tuition Reduction Raffle for November was the Yochum family. They received \$23.00 off of their December tuition. Lucky family—they won last month also. You can't win if you don't play! So send in your money to have a chance to win. The December drawing will take place on Thursday, December 22. Wouldn't you like an early Christmas present?

Forensics Tournament

Our Forensics team will compete this Saturday at South Fayette Middle School. We all wish them a lot of luck. We know they will make us proud!

Pretzel Sales

It is that time again and we will be having our next pretzel sale. In your folders today you will find the order form for pretzels. The forms are due in with the money on Wednesday, December 14th. The tally will be called in Thursday morning and I will pick them up on my way in on Friday, December 16th. We are back to getting the pretzels from the Bridgeville location because people who responded liked those better.

Pretzel Sale

Did You Know...?

This section will be to inform new families about the way things work or what we have to offer AND to remind returning families about the same things.

Did you know that invitations may be distributed in school only if every boy or every girl or all students in your child's room are invited. We all understand that with the cost of things today, it is often impossible to invite everyone. If everyone, all boys, or all girls are not being invited, please extend the invitation to those who are invited via phone calls or email. This makes it fair for everyone.
