April, 2010

Dear Community Friends:

The 17th annual Festival on the grounds at St. Germaine Church in Bethel Park will be held on August 11th through August 14th, 2010. This year's **FunFair**/festival will again be supporting **St. Katharine Drexel School**, established in 2008 to serve students from Nativity and St. Germaine Parishes and surrounding communities in the South Hills.

This year's **FunFair** will be one of the largest faith-based community festivals in the South Hills. Thousands of people from over 25 communities in the region and the city are expected for the 4-day event. While some of the unique traditions of the old St. Germaine festival will continue, we are adding a number of new attractions and events for the entire family.

We have expanded the number of sponsorships available to give you a great opportunity to maximize your investment and reach thousands of **FunFair** patrons, families and children. We have added presenting sponsorship along with individualized event sponsors and will again publish an event program. In addition, you can sponsor individual booths or our kiddie ride section. The enclosed information will be helpful in determining your level of support.

The **FunFair** Committee is getting busy planning for a record event in 2010 and **your support** is *critical* to our success. Every dollar raised goes directly to support Catholic education in our community. **St. Katharine Drexel School** will continue to flourish thanks to your support.

Please return the enclosed response form so a member of our Committee can contact you to discuss your sponsorship selection.

Thank you in advance of your support and God Bless!

Rev. John J. Baver Fr. John E. Hissrich
